

BODEGAS FEDERICO

RIBERA
DUERO

TINTO FEDERICO

RESERVA

| | |
|-------------------------------|---|
| Presentation: | 750 ml and 1500 ml bottles. |
| Designation of Origin: | Ribera del Duero. |
| Varieties: | 100% Tinta del País (Tempranillo). |
| Appearance: | Intense cherry red. Still presenting violet tones, although we begin to see terracottas. Very clean. |
| Nose: | High-intensity wine with a lot of complexity. Red fruit aromas giving way to burnt-sugar notes with hints of vanilla. Toast, leather, nuts. Balsamic hints... |
| Palate: | A full-bodied wine, powerful, well-structured, tannic, long persistence, with a very long aftertaste where we again notice the leather and toasted notes. |
| Serving temperature: | 16° to 18° C. |
